3) Provision of services by Green Shift Group

- 3.1 GSG shall use reasonable care, diligence, and skill in performing the Services.
- 3.2 GSG shall use reasonable endeavors to meet any performance dates that may be specified, but any such dates shall be treated as estimates only.
- 3.3 GSG has the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirements or which do not materially affect the nature or quality of the Services being provided.
- 3.4 The Services are provided by GSG exclusively to the Client. Unless otherwise agreed in the Agreement, GSG shall have no liability or responsibility to any party other than the Client in connection with the provision of the Services, and the Client shall indemnify and hold GSG Group harmless from any claims from any party other than the Client.
- 3.5 The Client shall obtain any and all necessary governmental and regulatory consents and approvals required to enable GSG to provide or perform the Services. GSG shall be under no obligation to provide any Services until such time as the Client has obtained all necessary consents and approvals and Green Shift Group shall be compensated at the relevant rates for all standby time waiting for the client to obtain the relevant consents and approvals.
- 3.6 Any assessment with respect to a Warranty Survey or Pre-purchase Survey will be made solely on the basis of the information provided to GSG, the documents examined, and the observations of the surveyor at the time of attendance(s).
- 3.6 In the performance of the Services, neither GSG nor any member of Green Shift Group shall be required to, or cause any other member of GSG to, contravene or breach any sanction, prohibition, regulation, or law imposed by any national, supranational, or international government organization or body.

4) Clients' obligations

- 4.1 The Client shall:
- A) provide GSG with complete and accurate information and materials as GSG may reasonably require and in sufficient time to enable GSG to provide or perform the Services in an efficient and effective manner.
- B) co-operate with GSG in all matters relating to the provision or performance of the Services; and

- C) provide GSG with safe access to the Client's premises, office accommodation, Assets, installations, and other facilities as may reasonably be required in the performance of the Services.
- 4.2 If the Client becomes aware of any claim or circumstances which might involve litigation or arbitration concerned or connected with the subject matter of the Agreement, the Client shall inform GSG immediately.
- 4.3 The Client shall indemnify GSG for any loss, liability, cost, or expense arising directly or indirectly by reason of a default or failure on the part of the Client in fulfilling its obligations under this Agreement.
- 4.4 The Client shall not, directly or indirectly, through any third party, without prior knowledge and written consent of Green Shift Group, approach, contact or engage with Green Shift Group's subcontractors and their respective Representatives in respect of any future services. The obligation of the Client under this clause 4.4 shall not apply in respect of a specific subcontractor of Green Shift Group or Representative of GSG if said subcontractor or Representative is already, as proven by the Client, an established service provider of the Client at the time of entering into the Agreement. If the Client breaches its obligation under this clause 4.4, Green Shift Group shall be entitled to liquidated damages in the sum of EUR 100,000 per breach. The Client agrees that this level of liquidated damages represents a fair level of compensation for such breach.
- 5) Fees**
- 5.1 The Client shall pay to Green Shift Group, as consideration for the Services, the Fees due by the Client to Green Shift Group as calculated in accordance with the terms set out in the Engagement Letter.
- 5.2 Unless otherwise agreed in the Engagement Letter, operating procedure, or retainer, Green Shift Group is entitled to charge the Client for any expenses reasonably incurred in the performance of the Services including but not limited to travel expenses, accommodation costs, and any other reasonable incidental expenses on a cost plus 10% basis.
- 5.3 Should Green Shift Group be required to provide services in addition to those specified in the Agreement, the Client shall pay for such additional services in accordance with Green Shift Group's standard charge out rates or such other rates or fees as may be expressly agreed between the Parties. Without prejudice to the foregoing, so far as is reasonably possible any additional services and fees shall be agreed upon in writing in advance of such additional services being carried out.

- 5.4 Unless otherwise stated in the Agreement, Green Shift Group shall be entitled to invoice the fee to the Client on a monthly basis. The Client shall pay the amounts invoiced without any deduction, set-off and withholding within 14 days from the date of the invoice. Time for payment is of the essence.
- 5.5 Fees and other sums charged by Green Shift Group are exclusive of any applicable value-added tax (**VAT**), goods and services tax (**GST**), or similar applicable sales taxes (together, "**Sales Tax**"). Where amounts due under this Agreement are subject to Sales Tax the Client shall, on receipt of a valid tax invoice, pay to Green Shift Group such additional amounts in respect of Sales Tax as are chargeable on the supply of the Services at the same time as payment is due for the supply of the Services.
- 5.6 The Client is responsible for the payment of all other taxes (excluding any taxes on profits or corporation tax chargeable on the Fees received by Green Shift Group), including but not limited to withholding taxes, service taxes, duties, and other fiscal charges which may be levied or become due in respect of the fees or other amounts due under the Agreement.
- 5.7 The Client shall pay all amounts due under the Agreement in full without any deduction, set-off or withholding. The Client is not entitled to assert any credit, set-off, or counterclaim against Green Shift Group in order to justify deduction, set-off, or withholding payment of any amount due in whole or in part. However, should any amounts be required by law to be deducted, set-off or withheld from any amount due under this Agreement, the Client shall pay to Green Shift Group an amount such that the net amount received by Green Shift Group would be the same as if no such withholding, set-off or deduction had taken place.
- 5.8 Any failure by the Client to make payment in full by the due date shall entitle Green Shift Group, without prejudice to any right that Green Shift Group may have pursuant to any statutory provision in force from time to time, to charge interest on the overdue amount at the rate of two percent (2%) per month compounded.
- 5.9 Any failure on the part of the Client to make payment of an invoice shall entitle Green Shift Group, without prejudice to any other rights it may have, to suspend the performance of the Services until such time as payment has been made in full including the payment of any interest due.
- 5.10 If any portion of an invoice is genuinely disputed by the Client, the Client shall notify Green Shift Group immediately upon receipt of the invoice, giving full reasons as to why and what portion of the invoice is disputed, and nevertheless pay the undisputed part within the time

specified in clause 5.4. The parties shall endeavor to resolve the disputed portion without delay.

- 5.11 Without prejudice to any rights of recovery that Green Shift Group might have against a third party, Green Shift Group shall treat the Client as the person responsible for paying for the Services. Therefore, Green Shift Group shall not need to be concerned as to whether the Client considers itself to be principal or acting as agent only, nor shall Green Shift Group need to concern itself as to whether the Client is, or is not, paid by a third party.

6) Amendment and variation

- 6.1 If the Client wishes to make any amendments or variations to the Services, it must notify Green Shift Group in writing as soon as possible. Green Shift Group shall endeavor to make any required changes and any additional costs thereby incurred shall be payable by the Client in accordance with the payment terms herein, and Green Shift Group shall be entitled to an extension of time to complete the Services as made necessary by the amendment or variation. Except as otherwise provided any amendment or variation to the Agreement, including the introduction of any additional terms and conditions, shall only be binding when agreed in writing and signed by Green Shift Group.
- 6.2 Notwithstanding any prior agreement between the Parties as to a fixed Fee, Green Shift Group may make the necessary adjustments to the Fee should it become aware of the inaccuracy or inaccuracy of any information provided to it by the Client or if the assumptions contained in the Engagement Letter are incorrect.
- 6.3 In the event that it becomes necessary for Green Shift Group to amend or vary the arrangements relating to the provision and performance of the Services due to circumstances outside its control, Green Shift Group shall notify the Client as soon as reasonably practicable. Green Shift Group shall endeavor to keep any amendments or variations to a minimum and shall endeavor to offer the Client alternatives which are as close to the original arrangements as can be reasonably expected under the circumstances.

7) Liability

- 7.1 Green Shift Group shall not be liable in contract or in tort or on any other basis whatsoever for any loss of or damage to the Asset or any other property of Client Group, for any delay or for any other loss or damage of Client Group arising out of or in connection with performance or non-performance of the Agreement, unless Client

- 7.2 In the event that Green Shift Group is held liable to the Client Group under the Agreement and a Third Party is also held liable in respect of the same claim, Green Shift Group shall not be liable beyond the extent that such loss is attributable to Green Shift Group. The Client Group's failure or inability to recover its loss from the Third Party shall not increase Green Shift Group's liability hereunder.
- 7.3 In the event that the Services involve the survey of an Asset, product or article containing latent defects which were not apparent at the time of the survey or could not reasonably have been expected to have been discovered by such survey (either by reason of lack of access, limited availability of time or otherwise), then Green Shift Group shall have no liability for failing to discover or take into account those defects.
- 7.4 Green Shift Group gives no warranty, express or implied, as to the fitness for purpose or suitability of the Services or results and the Client waives any terms, conditions, or warranties otherwise incorporated or implied by law to the fullest extent permitted by law.
- 7.5 Green Shift Group's maximum aggregate liability to the Client Group in respect of any and all liability of whatever nature and howsoever arising in connection with the performance or non-performance of this Agreement, whether contractual (including by way of indemnities), tortious (including negligence), breach of statutory duty or otherwise, shall in no circumstances whatsoever exceed the total amount of the Fees charged by Green Shift Group for the performance of its Services or the fixed sum of EUR 100,000 whichever amount is the lower ("Liability Limit").
- 7.6 The Client shall save, indemnify, defend, and hold harmless GSG from and against all claims, losses, damages, costs, expenses, and liabilities exceeding GSG's liability under this Agreement.
- 7.7 Any claims by the Client against any member of GSG related to this Agreement shall be deemed to be waived and absolutely time-barred i) if they are not notified in writing to Green Shift Group within 1 month of becoming aware of the occurrence giving rise to the claim; or ii) if they are not notified in writing to Green Shift Group within 6 months of the completion of the Services; or iii) if they have been notified in writing to Green Shift Group within those 6 months, but the Client has not commenced legal proceedings against Green Shift Group within six months of the notification pursuant to paragraph (i) or (ii) above.
- 7.8 No Representative of GSG shall be personally liable to the Client Group in connection with the performance or non-performance of this Agreement, whether contractual (including by way of indemnities),

- 7.9 No subcontractor of Green Shift Group, no Representative of such subcontractor and no Representative of Green Shift Group shall have any liability in contract, in tort or on any other basis whatsoever to the Client Group for any loss, damage or delay arising out of or in connection with the performance or non-performance of this Agreement. The Client shall save, indemnify, defend, and hold harmless such subcontractor and Representative from and against all claims by any member of the Client Group to the extent that said subcontractor and Representative shall have no liability under this clause 7.9.

8) Consequential Loss

- 8.1 GSG shall not be liable to Client Group for any Consequential Loss whatsoever arising out of or in connection with the performance or non-performance of this Agreement, and Client shall save, indemnify, defend, and hold harmless GSG from and against any and all claims for such Consequential Loss made by Client Group.
- 8.2 Client Group shall not be liable to GSG for any Consequential Loss whatsoever arising out of or in connection with the performance or non-performance of this Agreement, and Green Shift Group shall save, indemnify, defend, and hold harmless Client Group from and against any and all claims for such Consequential Loss made by GSG.

9) Site preparation

- 9.1 In the event that the Services to be supplied by GSG to the Client include physical work to be carried out on-premises or locations owned by the Client or under its access or control (the "Site"), any costs or expenses incurred in relation to the preparation of the Site shall be the responsibility of the Client.
- 9.2 The Client shall be deemed to have legal and operational control over the Site for the duration that the work is to be carried out by GSG. GSG shall not have or be deemed to have any legal or operational control over the Site and any member of GSG who may be present at the Site shall be there only in an advisory capacity. Should the presence of GSG's Representatives be required onboard any Asset, legal and operational control over the Asset shall be deemed to be held by the Client at all times.
- 9.3 The Client shall make all arrangements and take all security measures to ensure that the Site is safe. The Client shall also carry out all required

Any pre-loading operations shall be performed exclusively by the Client, owner, or operator of the Asset, as the case may be.

10) Intellectual property rights

10.1 All Intellectual Property rights in or arising out of or in connection with the Services shall be owned by GSG and, subject to Clause 10.3, no right to, interest in, or license to any Intellectual Property rights owned by GSG shall be granted to the Client.

10.2 Intellectual Property rights that are the property of each Party prior to the date of this Agreement or developed outside the scope of this Agreement shall remain the sole property of that Party.

10.3 For any Intellectual Property rights created in the course of the provision or performance of the Services that are the property of GSG, GSG grants to the Client a non-exclusive and non-transferable royalty-free license to use said Intellectual property rights to avail themselves of the Services or the results thereof, provided that any Fees invoiced by GSG have been paid by the Client in full.

12.4 This Clause shall survive termination of the Agreement and each Party undertakes that it shall not for a period of three (3) years after termination of the Agreement, disclose to any person any confidential information pertaining to the other Party except as permitted under Clause 12.2.

13) Termination

13.1 Without in any way limiting its other rights and remedies, either Party may terminate the Agreement upon giving written notice to the other Party if:

- 13.3 Green Shift Group shall be entitled to terminate the Agreement, by giving 14 days written notice of intention, if the Client Group does not provide the necessary technical data/drawings/other information needed to be able to carry out the Services or, with reference to Clause 5.3, if the Client Group does not issue further/additional written instructions in respect of other services requested that have not been identified within the original Agreement.
- 13.4 Green Shift Group shall be entitled to terminate the Agreement if the Client Group becomes involved or is likely to become involved in giving any evidence in any litigation or arbitration proceedings affecting the subject matter of the Services or any matter connected or arising from the Agreement which would result in a conflict of interest between GSG and the Client Group.

- 14.1 If the provision of Services by GSG is prevented or delayed by any act, omission, or failure by the Client in the performance of its obligations under the Agreement, or if the Client fails to pay any amount due under this Agreement, GSG shall be entitled to suspend or delay the performance of the Services until such time as the act, omission or failure by the Client has been remedied to the satisfaction of GSG.
- 14.2 Should the Agreement be suspended due to any breach on the part of the Client, or for any other reason attributable to the Client, the Client shall reimburse Green Shift Group for the following:
- a) any and all costs and expenses incurred by GSG in dismissing (and re-hiring) if necessary, any employees hired specifically for the purpose of this Agreement.

15) Force Majeure

- 15.1 For the purpose of the Agreement, a “Force Majeure Event” means an event beyond the reasonable control of the affected Party that prevents the performance of any of the affected Party’s obligations under the Agreement, and includes but is not limited to strikes, lock-outs or other industrial disputes (whether involving the workforce of either Party or otherwise), an act of God, war, riot, civil commotion, epidemics, pandemics and their control measures, malicious damage, any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or other weather events (regardless of severity), default of suppliers or subcontractors. Neither Party shall assign or transfer any of its rights or obligations under the Agreement without the prior written consent of the other Party, such consent not to be unreasonably withheld. Green Shift Group shall be entitled to subcontract its obligations under the Agreement to a reputable sub-contractor and where possible, shall notify the Client prior to the appointment.
- 16.2 **Notices**
Any notices required to be given to a Party under or in connection with this Agreement shall be in writing and shall be delivered by hand, sent by recorded delivery, or by electronic communication (e-mail).
- 16.3 **Waiver**
A waiver of any rights under the Agreement by either Party shall only apply to the specific matter of which it is the subject and shall only be effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default on the part of the other Party. No failure or delay in exercising any rights or remedy under the Agreement or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.
- 16.4 **Severance**
If a court or any other competent authority finds that any provision of the Agreement (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Agreement shall not be affected.

17) Governing law and jurisdiction

- 17.1 The Agreement is governed by and shall be construed in accordance with Danish law, and any dispute arising under or in connection with this Agreement shall be settled exclusively by the Maritime and Commercial High Court in Denmark or, if the Maritime and Commercial High Court does not accept jurisdiction by the District Court in Copenhagen in Denmark.
- 17.2 Notwithstanding Clause 17.1, Green Shift Group reserves the right at its sole discretion to commence legal proceedings against the Client in any other court of competent jurisdiction, and the commencement of such legal proceedings in one or more jurisdictions precludes the commencement of legal proceedings by the Client in any other jurisdiction, whether concurrently or not.
